Dear Parents and Student/Athletes:

We are excited to announce that we recently moved to online registration for participation in interscholastic athletics through FamilyID ([www.familyid.com](http://www.familyid.com)). **Starting with the Winter 2018-2019 season, this is the ONLY way to register for participation in interscholastic athletics at Cairo-Durham Middle/High School.** Please read the following carefully:

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our interscholastic athletic programs, and help us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member and it will be saved in your profile for multiple uses and multiple athletics programs.

It would be helpful to have the following information handy to allow for accurate completion of your online registration:

- A copy of the most recent physical
- Health History
- Emergency Contact Numbers, Doctor's Number, etc.
