- Children are expected to be respectful, honest and kind. Use positive language, be gracious competitors, show good sports etiquette and share
- Be considerate to others and to the environment by cleaning up after yourselves.
- In a group situation, please no talking while someone else is speaking, always raise your hand if you have something to contribute and use inside voices indoors.
- Follow your program staff's directions, if you do not understand, ask questions!!!
- No violence, throwing things, rough housing, profanity or demeaning language.
- Always engage a program staff person to settle an issue between students. Don't take matters into your own hands.

### Consequences of not following code of conduct
